

Ed Hassinger, District 6 Engineer

SINGLE FEASIBLE SOURCE PURCHASE POSTING NOTICE

The Missouri Department of Transportation has determined that only one source can provide the products or services described below.

Title: 7-06081005 Bean Pump Replacement Parts and Labor for the Missouri Department of Transportation District 6, St. Louis with the Missouri Machinery and Engineering Company.

Description: The Missouri Department of Transportation District 6, St. Louis has determined that only one source can provide the replacement parts and repair of the Ecosystems Sewer Drainage Truck containing porcelain pistons parts for the Missouri Department of Transportation District 6, St. Louis. To our knowledge, the Missouri Machinery and Engineering Company is the only business that can provide the scale of repair on this antiquated design built truck. These specific products have been documented as fully and absolutely compatible with all current systems. This notice shall meet the single feasible source posting requirements for one calendar year and in association with the needs described. The approximate value of parts and service has an estimated cost of \$6,000
